These rankings validate our academic model, pedagogy, and educational quality while establishing academic credibility and certifying a graduate's credentials to employers.

About Manipal Academy of Higher Education

Started in 1953 with Kasturba Medical College, **Manipal Academy of Higher Education (MAHE)** is one of India's leading academic and research institutions. It is a **globally engaged institution** with active partnership with more than **250 leading universities** around the globe. Additionally, it holds a distinguished status of '**Institute of Eminence**' granted by the Ministry of Education, Government of **India**. It is amongst the handful of private institutions in India to have received this prestigious recognition, further accentuating its status as a world-class institution for higher education.

MAHE now offers online higher education programs to students. MAHE's online degrees and certificates are **UGC-entitled and NAAC A++ accredited** and on par with on-campus programs. Government agencies, corporate organizations, and educational institutions widely recognize **MAHE's online degrees and certificates for jobs and higher education.**

Flagship institutions of MAHE:

Kasturba Medical College (KMC) | Manipal Institute of Technology (MIT)
Welcomgroup Graduate School of Hotel Administration | T.A. Pai Management Institute
